Kara Lynn
Mark Neumann
Jeff Neumann
Graham Martin

From the Director:

"A very special thank you to Mr. Liam Finnegan for writing this timeless story for the P-CEP Park Players and for traveling to America from his home in Ireland to be a part of this wonderfully educational theatre experience for our students. The Park Players are thrilled to be part of a World Premiere Production, and the input and influence of the Playwright has made this an unforgettable experience for students and audiences, alike".

A huge thanks to our show sponsor

Bob Rogers Travel
